Director of Community Health at Desert AIDS Project

TODAY

James Driskill 1:36 PM

Hi there CJ Tobe at Desert Aids Project ----
you are not going to like what I have done.
The object of what I have done is to expose
and smatch the "informational quarantine"
that is involved in the persecution of a
certain class of persons living in the HIV
communities. This certain class of persons,
I happen to belong to.

And still, I am being persecuted by haters
that will never leave me alone until this
"informational quarantine" that many of
these haters are not even probably aware
of.

It is not right to hold down and block all
communication channels from the
opportunities of empowerment.

You say that you have no idea what I am
talking about. Well, I may be walking from
San Bernardino to Desert Aids Project --- for
Foothill Aids Project San Bernardino has

been pulled away from me when they lie.

Jennifer Anne Brehme, the mental health program director has a specific honor about herself. From a google search on her name, to be TOPMOST matching under my internet domain. This situation is that messed up to be labeled properly.

Let me first explain, I am not here to signup services. I am here so that you pass a message to the HHS to fix this problem immediately so that I can have a community affairs meeting with my local police department and move into the reconciliation of this mess. Your industry has created a wall barrier of evil tall proportions --- you all are trapped me into it and everyone who holds to the line that the world cannot see this wall you think is invisible is not true.

I have documented my attempts to break into and through and over this wall at every step of our societal affairs. No one will allow me in. This conspiracy is huge and you all have to realize and concede that the purpose or invention of such wall was wrong.

For without the wall being taken down,

there can be no standing of passing the 90/90/90 benchmarks to #EndHIV in this country.

It is time for a reckoning of these matters. You have to admit you all have been wrong.

If you do not know what I am talking about -- highly doubt it you are so ignorant to be out of the loop - talk with Sue Lowe. Tell her to reverse her block on twitter for not being as courageous as a lion --- to stop the lies. No more lies. People die.

The informational quarantine that I speak of is documented in these apparent maliciousness events.

<http://linkedin.fuckeduphuman.net> --- they would not allow me to be on the site without my content being censored and my customer support tickets deleted. This conspiracy is huge. I know it.

History of adam4adam, I knew about the security hole breach in the mailbox alert notification for long time. They too handled my customer support calls as deleted.

Something fishy is so so so wrong here --- you can't just move on and bury this while the wall remains built --- people die.

James Driskill 1:45 PM

And the involvement that the FBI has allowed this conspiracy to go on unchallenged is so too noted.

<http://fbi.fuckeduphuman.net>

I can never get away from your haters ---- the ones that think you are not bad --- when bad begets bad --- one bad makes all look bad.

Let us return to where Sue Lowe let off.

Your answer people.... I expect a response

from you.

But this conversation will remain **#Ghost** from your side --- you have no priority to **#EndHiv** --- your priority is to hide and cover up this conspiracy. I have no HIV Doctore because I was terminated from services attempting to have an honest conversation with my doctor. Every doctor in line has the same confrontation at the need --- **#HivUntreatable**

CAMPS, THE RIGHTEOUS AND THE SINNERS --- THAT IS EXACTLY WHAT THIS CONSPIRACY DOES --- DIVIDES OUR COMMUNITY INTO TWO CAMPS -- THE CLEAN and THE DIRTY. IT MUST BE TERMINATED.

THE HATERS HAVE SURFACED ONCE AGAIN --- IN MY HOMETOWN --- MY CAR WAS STOLEN IN JANUARY AND TODAY MY CAR HAD TWO FLAT TIRES. THEY LET THE AIR OUT OF MY TIRES. THE HATERS HAVE RESURFACED ONLINE OF COURSE TOO. WHEN YOU ACKNOWLEDGE THIS SITUATION AND THAT YOU HAVE BEEN WRONG ---- THAT THE HATERS WILL STOP HATING ON ME ---- THE ARE GOING TO HATE ME UNTIL I COMMIT SUICIDE! THIS IMPASSE IS YOUR RESPONSIBILITY TO FIX.

THE POLICE HERE IN SAN BERNARDINO ARE NOT ON MY SUPPORT --- THEY ARE ON THE SIDE OF HIDING THIS CONSPIRACY -- TYPICAL I HAVE NO OTHER CHOICE BUT SUICIDE. MY DEATH WILL BE ON YOUR SOULS.

I am requesting to conduct a community affairs meeting with the attendance of the San Bernardino Police Department [Sergeant Lanier Rogers], Foothill Aids Project [Jennifer Anne Brehme] and Desert Aids Project regarding the email that I received from San Bernardino County Supervisor District #5 Josie Gonzalez's office telling me that I must refer to seek services either in Riverside or at Foothill Aids Project Riverside instead of

confronting these matters -- per POPE FRANCIS --- to return to a state of proper reconciliation and adjustment on the agency side of things to stop the hate that comes from being an operation that divides your clients into two categories --- right client and the dirty. You may not be doing this now, but in the past, you had a rather strange confluence of review on Glassdoor that corresponds to the reporting across this nation. The entire scheme is busted by researching glassdoor reviews region to region. Your review was set into being explained, I DEMAND TO CONFRONT WHY THESE REVIEWS APPEAR ACROSS THIS NATION WITH THE HHS --- and for you to explain the DM CHAT with Sue Lowe that ended up blocked --- for CONFRONTING HER for an explanation what the fuck is going on. You all are attempting to bury this matter --- and that is not right when you realize that I can never have an honest relationship with any of you [across the nation] nor with any of my HIV Doctors [across the nation?] ---- what is wrong with you all --- you started something that has come back to bite you in the ass --- DEAL WITH THE PAIN of the EMBARRASSMENT and ADMIT WHEN YOU HAVE BEEN WRONG.
